

Engineering Technology: New Applicants and Newly Enrolled Students

New Undergraduate Applicants:

A. Number of <i>undergraduate applicants</i> to the engineering technology college:	119
B. Of those in (A), how many were offered admission?	104
C. Of those in (B), how many were enrolled in the fall?	53
D. Percentage of entering students (excluding transfer students) ranked in the top quarter (25%) of their high schools:	32.4

Newly Enrolled Test Scores: 75th to 25th Percentile

SAT:	High	Low	ACT:	High	Low
Math Range:	450	390	Math Range:	25	19
Reading Range:	480	410	Composite Range:	24	19
Writing Range:	505	370			
Combined Range:	890	800			

Footnote: No

Engineering Technology: 2. College Admissions Information

Undergraduate Admission to the College of Engineering

ADMISSION TO THE COLLEGE OF ENGINEERING REQUIRES:

High school GPA of at least 2.0 and ACT of 20 or high school GPA of 2.5 or ACT score of 21. High school coursework must include 4 units of English, 3 units of science beyond general science, 3 units of math (from Algebra 1 & 2, Geometry, Trigonometry, or advanced math), and 1 unit of foreign languages or fine arts.

Undergraduate Admission to an Engineering Department

Engineering Technology: 3. Other College Admissions Information

Entrance Requirements for Foreign Students

Must follow Immigration and Naturalization Service rules. Must demonstrate scholastic ability, financial support and English language proficiency as stated in the New Mexico State University catalog. Although New Mexico State University does not set a quota for the total number of foreign students, there may be several factors that would prohibit admission even though the person meets all general requirements.

Entrance Requirements for Non-Resident Students

Graduation must be from any state high school or academy in the United States accredited by a regional accrediting associate or approved by a state department of education or state university. See also Undergraduate Admission to the College of Engineering.

Engineering Technology: 4. Transfer Student Information

Residency Requirements

All students are required to complete 55 semester hours of upper division course work. Students are required to complete their last 30 hours at New Mexico State University.

Admissions Requirements for Transfer Students

Transfer students must have at least a C (2.0) cumulative grade average and be eligible to return to the college or university last attended. Transferring students who would not have met admissions requirements as a first time freshman must have completed at least 30 graded credits to be considered for admission.

Number of Transfer Students from:

- A two-year community junior college where they were full-time students 0
- A four-year college or university where they were full-time students 0

Engineering Technology: 5. Financial Aid

- | | |
|---|---|
| <input checked="" type="checkbox"/> Free Application for Federal Student Aid (FAFSA)
<input type="checkbox"/> Financial Aid Form (FAF)
<input type="checkbox"/> Family Financial Statement (FFS)
<input type="checkbox"/> Student Data Form (SDF)
<input type="checkbox"/> Institution's Own Application Form
Other 1: | <input type="checkbox"/> College Scholarship Service Financial Aid PROFILE (CSS/Profile)
<input type="checkbox"/> Financial Aid Transcript
<input type="checkbox"/> Federal Tax Return Forms (IRS)

Additional Financial Aid Information

After the Federal Student Aid Application (FSA) is processed, additional forms may be required.

Effective July 1, 2001 ACT will not be required.

Engineering Technology: 6. Freshman Enrollment

American Indian or Alaska Native: A person having origins in any of the original peoples of North and South America (including Central America), and who maintains tribal affiliation or community attachment.

Asian: A person having origins in any of the original peoples of the Far East, Southeast Asia, or the Indian subcontinent including, for example, Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Philippine Islands, Thailand, and Vietnam.

Black or African American: A person having origins in any of the black racial groups of Africa. Terms such as "Haitian" or "Negro" can be used in addition to "Black or African American."

Hispanic or Latino: A person of Cuban, Mexican, Puerto Rican, South or Central American, or other Spanish culture or origin, regardless of race. The term, "Spanish origin," can be used in addition to "Hispanic or Latino."

Native Hawaiian or Other Pacific Islander: A person having origins in any of the original peoples of Hawaii, Guam, Samoa, or other Pacific Islands.

White: A person having origins in any of the original peoples of Europe, the Middle East, or North Africa.

Nonresident alien: A person who is not a citizen or a national of the United States and who is in this country on a visa or temporary basis and does not have the right to remain indefinitely.

Two or more: Any person who reported themselves as belonging to more than one of the race categories. These individuals should only be counted in this field and not any of the race categories.

Hispanic/Latino includes individuals of any race who identify as Hispanic or Latino. The five race categories include only persons who reported one of those fields as their sole race and did not report Hispanic/Latino ethnicity. Nonresident aliens should not be included in any of the race or ethnicity fields.

Canadian institutions should report students under two categories: Unknown and Nonresident Alien. Please report all Canadian/Permanent Residents under Unknown.

Engineering Technology: Engineering Technology Bachelor's Degrees Awarded

American Indian or Alaska Native: A person having origins in any of the original peoples of North and South America (including Central America), and who maintains tribal affiliation or community attachment.

Asian: A person having origins in any of the original peoples of the Far East, Southeast Asia, or the Indian subcontinent including, for example, Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Philippine Islands, Thailand, and Vietnam.

Black or African American: A person having origins in any of the black racial groups of Africa. Terms such as "Haitian" or "Negro" can be used in addition to "Black or African American."

Hispanic or Latino: A person of Cuban, Mexican, Puerto Rican, South or Central American, or other Spanish culture or origin, regardless of race. The term, "Spanish origin," can be used in addition to "Hispanic or Latino."

Native Hawaiian or Other Pacific Islander: A person having origins in any of the original peoples of Hawaii, Guam, Samoa, or other Pacific Islands.

White: A person having origins in any of the original peoples of Europe, the Middle East, or North Africa.

Nonresident alien: A person who is not a citizen or a national of the United States and who is in this country on a visa or temporary basis and does not have the right to remain indefinitely.

Two or more: Any person who reported themselves as belonging to more than one of the race categories. These individuals should only be counted in this field and not any of the race categories.

Hispanic/Latino includes individuals of any race who identify as Hispanic or Latino. The five race categories include only persons who reported one of those fields as their sole race and did not report Hispanic/Latino ethnicity. Nonresident aliens should not be included in any of the race or ethnicity fields.

Canadian institutions should report students under two categories: Unknown and Nonresident Alien. Please report all Canadian/Permanent Residents under Unknown.

Engineering Technology: Dual Degree Programs

Engineering Technology Dual Degree Program Description

Engineering Technology Dual Degrees Awarded

Engineering baccalaureate graduates with a dual degree:

0

Engineering Technology: Program Comparisons

Degree Program	ABET/CEAB Accred.	Program Length:		Time:		Grads in Co-op Progs.
		Nominal (yrs.)	Average (yrs.)	Day/Even./Both	None/Opt./Required
