

NEW MEXICO STATE UNIVERSITY

College of Engineering

PETITION FOR COURSE OVERLOAD

Student will be allowed to register for no more than 18 hours during a regular semester or 12 hours during the summer sessions until approval for overload has been granted. Student must obtain approval from both the Advisor and the Dean before turning in both the petition and the add slip (with appropriate signatures) to GO 106 for processing. Additional tuition charges will be assessed for all credits over 18 (regular semester), over 12 credits (summer).
